REGISTRATION STARTS TUESDAY 24. APRIL

Every week we have 8 places available and then we offer a waitlist. We do our best to offer everybody that registers a spot but to be sure to get a spot it's best to register earlier rather than later.

Registration for each week is open until 12:00 (noon) on the friday before each program starts. (For example for the week 11-15 June the registration is open until friday June 8th). If there is an available spot the staff will confirm the registration via phone or email.

SCHEDULE

In the summer program we do a lot of outdoor activities. We try our best to have the schedule diverse. We take many trips, both inside Reykjavík but also day trips outside of Reykjavík.

THE WORK SCHOOL

The Work School offers students in grades 8, 9, and 10 summer jobs. Registration for Reykjavík's Work School starts on April 20th at 9:00 am. Parents must register their teenagers at https://rafraen.reykjavik.is/pages/umsoknir/?prm_app_application_pk=961 and anyone registered is

offered work. Further information about the work can be found on the Work School website, <http://vinnuskoli.is/>

If a teenager from Hellirinn registers for a summer job with the work school they can request to have their work station in Hellirinn. The work school group of Hellirinn works from 9:00-16:00 and is organized like that that half of the day they do assignments related to their capabilities and interests as well as receiving lectures and half the day they do fun activities that they themselves help plan.

The weeks that the teenager wants to work do not have to be 3 weeks in a row and can be divided over the time Hellirinn is open over the summer. The teenagers do not get paid if they are sick or if they take time off during a week.

Those weeks that the teenager is registered for work through the works school it does not pay a fee for being in Hellirinn but extra time from 08:00-09:00 and 16.00-17:00 can be purchased.

- 8th. Grade gets 3 weeks of work 3.5 hours a day.
- 9th. Grade gets 3 weeks of work 7 hours a day.
- 10th. Grade gets 3 weeks of work 7 hours a day.

Information about salary can be found on the work school website: <http://vinnuskoli.is/starfidh/laun>
